- K9 friends
- Community agencies
- Kids activities
- Free & open to the public

## FAMILY FUN

### National Night Out Event Planned

The Pelham Police Department, along with the Pelham Fire Department and the City of Pelham will host National Night Out, Tuesday, October 4, 2022, from 6:00 pm to 8:00 pm at Pelham City Park.

This family-friendly event is designed to allow members of the community to meet their neighbors and get to know their local first responders. A free hot dog supper will be provided by the Church of the Highlands and Pelham First Baptist Church. People of all ages will enjoy seeing fire trucks and police equipment, displays from community and non-profit organizations, and activities for children.

National Night Out is an annual, nationwide community-building campaign that promotes police-community partnerships and neighborhood camaraderie. The focus of the event is on public safety, and Pelham's National Night Out is no exception. Pelham Police Chief Pat Cheatwood said, "National Night Out is one of our favorite events of the year. It allows us to meet those we serve, and have great conversations with them. We can answer questions, and showcase the equipment we use daily to better serve and protect them." Pelham Fire Chief Mike Reid expressed his enthusiasm for National Night Out. He said, "We appreciate the opportunity to partner with the Pelham Police Department to demonstrate all aspects of public safety."

The event is free and open to the public.

Take 7 (Jazz/Blues)

Black Sedan Band (Rock/Motown/R&B/Disco/Pop)

Vinyl Rock (Classic Rock)

Sweet Tea Trio (Country)

## Music in the Park

A mellow autumn afternoon beckons people to enjoy the outdoors, and it's even better when there's music involved. Pelham Parks and Recreation is proud to announce the third annual Music in the Park series, with the largest slate of performers yet. This year's event will span four Sundays in October.

Alicia Walters, Assistant Director of Pelham Parks and Recreation explained Music in the Park is a free, family-friendly event for all ages to enjoy. "This is a great way to be outdoors, relax, unplug and meet new friends," Walters said the event started in 2020 when the COVID-19 pandemic had forced people apart. "During that time the community was eager to get out and we were able to offer a safe, outdoor event on two Sundays in October. Last year, we expanded to three Sundays of music. We've seen the attendance grow each year, so this year, we're offering more entertainment."

In addition to a lineup of performers from four different genres of music, food trucks will be available on site. Attendees are encouraged to bring lawn chairs or blankets, and well-mannered, leashed dogs are welcome.

"We believe that special events like Music in the Park can help strengthen and bring our community together. We want to provide a chance for residents to relax, laugh, grow, be together, and have fun," said Walters. [Click here to read more about Music in the Park.](#)
