PUBLIC SAFETY SYSTEMS ANALYST

PELHAM, ALABAMA

Pelham is home to Oak Mountain State Park, known for its stunning views and a vast variety of outdoor activities.

THE OPPORTUNITY

A search is underway to attract a highly qualified candidate to serve as Public Safety Systems Analyst.

The IT Public Safety Systems Analyst serves as the primary liaison between the information technology and public safety departments and users, with the goal of ensuring technology platforms, applications and services meet desired objectives, and outcomes. This position works alongside departmental representatives, stakeholders and the balance of Pelham's IT Staff to support technologies which ensure the City of Pelham can provide expected Public Safety Services and outcomes to our citizens.

THE COMMUNITY

Incorporated in 1964, Pelham is Shelby County's second-largest city, with more than 24,000 residents. Pelham boasts unmatched indoor and outdoor recreational opportunities, a community-inspired school system, and a diverse mix of businesses of all sizes. Our residents enjoy an unparalleled quality of life.

Pelham, Alabama, is a recreation and entertainment destination which helps the City offer and maintain premier amenities and services that enhance the quality of life for those living, working, and visiting the city.

Consistently ranked one of the safest cities in Alabama, Pelham is recognized as One of America's Best Small Towns (Money Magazine), Best Suburbs to Buy a House in America, Places to Live in Alabama, and Places with the Best Public Schools in Alabama (Niche).

Extensive information regarding Pelham and the investments in services and amenities can be found on the City's website, www.pelhamalabama.gov.

LIVING IN PELHAM

Pelham is home to Oak Mountain State Park, Alabama's largest, at 11,584 acres. It draws nearly 780,000 visitors per year.

Ballantrae Golf Club is a favorite for residents and visitors amongst public golf courses and was recently ranked the 4th best public golf course in Alabama (Best Things Alabama).

The Pelham Racquet Club hosts an annual United States Tennis Association Pro Circuit women's tournament that attracts top players from around the world.

THE DEPARTMENT

The Information Technology Department provides leadership, governance, management, and modern information technology systems support to promote efficient and effective government. It seeks to encourage innovation in all that we do.

IT responsibilities include monitoring and maintaining technical infrastructure, serving our employees as customers by assisting with all technology concerns, maintaining a formal service desk system to log and manage our support services, and providing oversight and best practices for all technology efforts.

Because each action or service Pelham delivers occurs at a specific location, the IT Department maintains an authoritative Geographic Information System (GIS), which provides operational efficiency and decision-making support. Our IT team also supports cybersecurity efforts and disaster recovery to help ensure the continuity of government services.

IT's forward-looking goals include digital transformation, which includes adopting leading-edge technologies that support Pelham's strategic priorities, improve operational excellence, and drive innovation.
