

Last Call for the Splash Pad

Starting in September, the Splash Pad will only be open on weekends. Join us Saturdays and Sundays to enjoy the splash pad before it closes for the season. THEN leash up the pups because The Splash Pad goes to the dogs! Our Splash Pad will officially close to humans on September 28, but before we drain it for the season, your pups get their turn!

October 4

11:00 a.m. – 12:00 p.m. – small dogs only
12:30 p.m. – 4:30 p.m. – pups of all sizes

For everyone's safety (because kids can't resist water and dogs), no children under 16 are allowed inside the splash pad gates. Only well-behaved dogs may attend. All dogs must be spayed or neutered and up-to-date on vaccinations. Let your pup enjoy the splash pad before we close for the season!

E-Sports Tournament Night

Join us Friday, September 19, 5:30–7:30 p.m. at the Pelham Recreation Center for a friendly tournament night for ages 8–13. Each event spotlights one title; our library includes Super Smash Bros., Nintendo Switch Sports, Mario Kart 8, Madden, NCAA College Football, and more. Pizza and drinks are provided.

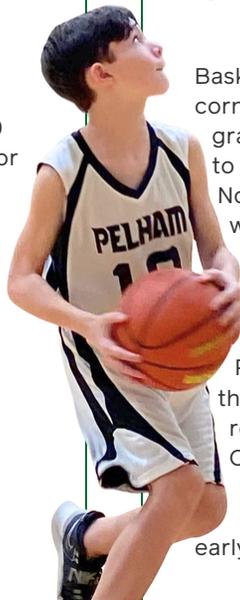

Registration is required and now open! The series runs every other month, so check the class registration section of the website for additional registration dates or email [Kyle Downey](mailto:kyle@pelhamga.gov).

Salsa in the Park Returns to Pelham City Park

Mark your calendars for Sunday, September 21, as Pelham City Park transforms into a lively celebration of music, dance, and culture during Salsa in the Park. This free, family-friendly event runs from 5:00–8:00 p.m. and offers something for everyone—whether you're ready to dance or want to enjoy an evening outdoors with friends and neighbors.

The evening kicks off with free salsa lessons, providing dancers of all levels with the opportunity to learn new moves in a welcoming environment. Once the lessons wrap up, the park will come alive with social dancing, where guests can put their steps to the test and dance the night away. No prior experience or partner is needed—bring your energy and enthusiasm.

We are proud to once again partner with the Community of Hope Health Clinic to make this cultural celebration possible. Alongside the music and dancing, families will enjoy bounce houses, face painting, and a balloon artist to keep younger guests entertained.

Salsa in the Park is more than just an evening of fun—it's a chance to experience and appreciate the rich traditions of Latin American music, dance, and food right here in Pelham. Whether you're a seasoned salsa dancer or simply a fan of vibrant community events, this is a night you won't want to miss. Grab your family, bring your friends, and join us for an unforgettable evening under the stars at Pelham City Park.

Music & Parks : A Perfect Harmony in Pelham

In Pelham, music and parks have always gone hand in hand. Over the years, Music in the Park events have brought together neighbors, families, and music lovers for relaxing Sunday evenings filled with live entertainment in our beautiful green spaces.

These concerts have become a cherished tradition, with the community showing strong support year after year. What started as a simple gathering at Pelham City Park has now grown into a broader celebration of live music and local life.

This year, the City of Pelham is excited to expand the experience to Park 124 at Campus 124, blending live music with the vibrant energy of nearby businesses, such as The Beer Hog, Valhalla, and Putter Up. Now, guests can enjoy great tunes and a fun evening out at some of Pelham's favorite local spots. It's all part of the city's mission to offer quality entertainment while supporting the small businesses that make our community special.

The Line-Up

Pelham Opens New Disc Golf Course at Coker Park

Coker Park was buzzing with excitement on August 23 as the City of Pelham Parks & Recreation officially opened its brand-new disc golf course. The ribbon cutting was followed by an inaugural tournament where players of all ages competed for prizes and enjoyed the first rounds on the new course.

The event drew a fantastic crowd, and early feedback has been overwhelmingly positive. Players praised the thoughtful design and layout, which was made possible through the creativity of Family Pawn Disc Golf. We are grateful to the Pelham City Council and Mayor Waters for their continued vision and support in growing recreational opportunities for the community.

We would also like to extend a special thank you to the neighbors of Coker Park. Their willingness to collaborate with Parks & Recreation staff and to allow some areas of foot traffic on private property reflects the true spirit of Pelham. Their support made this project possible and demonstrates the strength of community partnerships that benefit the entire city.

Looking ahead, the vision for the Coker Park Disc Golf Course is not only to serve local families but also to host future tournaments and events that will bring visitors from across the region. This exciting addition to Pelham's park system is already becoming a community favorite, and we look forward to seeing it continue to grow as both a neighborhood asset and a destination. Come out to Coker Park and give the course a try!

Coker Park is located at 732 County Road 72
